Luca De Stavola, D.M.D., M.O.M.

Modern Concepts of Hard and Soft Tissue Grafting - From GBR to “Khoury” Technique and Fully Guided Digital Protocols

"Excellent course and faculty."

Sam Chien, General Practitioner, Santa Clara, CA

"I take a lot of continuing education and I must say that this was the most useful course. Dr. De Stavola covered every detail of surgery - details that even after 30 years in practice I did not realize were important. He reinforced concepts so that I can understand and remember. I know that it will change the way I treat my patients!"

Linda Till, Periodontist, Roanoke, VA

"I have enjoyed, learned, and benefited from the teaching here at IDEA! World class speakers and applicable material every time."

Azita Vakili, Prosthodontist, Solana Beach, CA

"Dr. Luca De Stavola's class: very well planned, nice number of cases presented, good references. Humble, professional and funny. We want to see him back! Kudos for all IDEA team and your hard work."

George Morarasu, Periodontist, Ukiah, CA

"IDEA is the premier dental academy in the US. You will definitely benefit from the world class clinicians that teach at IDEA."

Henry Chung, General Practitioner, Los Angeles, CA

"Great institute, amazing lecture."

William Sung, General Practitioner, Richmond, TX

"This was a fantastic course. Luca is amazing!"

Allen Hoang, General Practitioner, Oakland, CA

"The lecture material was prepared very well and presented in a way that was very easy to understand. The Dr. Stavola is amazing, and the facility is very hospitable."

Peter Tran, General Practitioner, Cypress, TX

"Fantastic course! Luca is as good as it gets. Not only is he a fantastic clinician, but also an incredible educator and a genuinely nice person. It has changed my understanding of what is possible in advanced hard and soft tissue augmentation."

Brad Harmon, General Practitioner, Louisville, KY

"Great course. This is the next level to the original "Khoury" technique."

Grant Jong, Oral Surgeon, Corona, CA

"IDEA is a fabulous facility. This was my first course that I have attended at IDEA, and I will definitely be back."

William Cartee, General Practitioner, Lexington, KY

"I cannot think of a better instructor than Luca. Giant in the field. Living Legend!"

Elliott Deweese, Periodontist, Nashville, TN

"Another great course! I like confirming what we are learning in the lecture, in the laboratory"

William Moore, General Practitioner, Redding, CA

"Highly informative!"

Behdad Javdan, Periodontist, Oceanside, CA

"Luca explained the concepts to unlock these high level techniques with excellent clarity and depth. One of the best courses I have taken."

Gavin Ewing, General Practitioner, Concord, CA
